中国(湖南)国际矿物宝石博览会

A Mineral & Gem Show Next to The Mines

May 21–25, 2015

www.hunan-show.com

Chenzhou International Convention and Exhibition Center

Scale of the Show

3rd China (Hunan) International Mineral & Gem Show (CMGS) (formerly known as “Changsha Show”) is an international and professional exhibition approved by State Council of the PRC and organized by Hunan People's Government and the Ministry of Land and Resources. It is the biggest show of minerals and gems in Asia and it also provides a forum for communication between Chinese and Western cultures. The Exhibition Center has 2,600 international standard booths in total. Fine minerals, gemstones, jewelries, fossils and meteorites from around the world will be in display. Special exhibits will be featured.

Content of the Show

The Show displays fine minerals, gemstones, jewelries, fossils, meteorites, viewing stones and carved stones.

Types of the Exhibition Areas

Raw Booth (>36m²)

Standard Booth (3×3m/9m²)

Quality Booth (3×3m/9m²)

Deluxe Booth (3×3m/9m²)

We shall normalize the advertisements to attract more customers and provide dedicated service to them. The assignments shall be optimized, the exhibition areas shall be upgraded, and service items shall be enriched to satisfy our exhibitors and customers.
